Presentation

Each one of us has been, at some point in life, lost, disoriented, or in search for a safe and luminous path. This feeling of disorientation, leading at times to inner chaos, can also serve as the force that will push us to begin the pursuit of new routes, new ideas, and new emotions. Walking through the daunting sounds of Janacek's music, and exploring the mysterious alleys of various enigmatic pieces from early baroque to our present days, I have decided to embark on a musical journey to the heart of a beautiful, abstract, and dazzling labyrinth.
